Danny Thompson Memorial Donates A Record \$760,000 for Cancer & Leukemia Research.

Sun Valley, Idaho...The 30th Annual Danny Thompson Memorial Golf Tournament, held in late August, netted a record \$760,000 for cancer and leukemia research, which translates into over \$1.5 million in matching funds and grants. The Mountain States Tumor Institute (subsidiary of St. Luke's Medical Center) in Boise and The University of Minnesota Cancer Research Center will share equally in the proceeds. The University of Minnesota Cancer Research Center will receive \$380,000 from the Danny Thompson Memorial on October 25, 2006. The Mountain States Tumor Institute check presentation from the Danny Thompson Memorial Board of Directors is scheduled for:

Monday, November 27, 2006

Arid Club

Boise, Idaho

12:00pm

St. Luke's will announce that this is the single largest annual contribution to MSTI.

Many regional sponsors take a major role in supporting the event, such as: Washington Group International, US Bank, JR Simplot Company, Horizon Air/Alaska Airlines, Skywest Airlines, and Sun Valley Resort. These in addition to many other sponsors, celebrities, volunteers and supporters will meet again for the 31st annual event August 22-25, 2007 for four enjoyable days of golf and entertainment in beautiful Sun Valley, Idaho.
