### **HEATHER SPROULL RECEIVES CERTIFICATION IN PEDIATRIC NUTRITION**

**Boise, ID (July 17, 2007)** – St. Luke's dietician, Heather Sproull, has achieved Board Certification as a Specialist in Pediatric Nutrition. Heather is one of four dietitians in the State of Idaho to achieve this designation.

To become board certified by the Commission on Dietetic Registration (CDR), the credentialing agency for the American Dietetic Association (ADA), a registered dietitian must successfully meet rigorous specialty practice requirements and pass a nationally administered examination. Board Certified Specialists in Pediatric Nutrition work with healthy and/or ill children as well as children with special health care needs in a variety of settings.

With more than 67,000 members the American Dietetic Association is the nation's largest organization of food and nutrition professionals. Headquartered in Chicago, it serves the public by promoting optimal nutrition and well being for all people by advocating for its members.
