St. Luke's Introduces Digital Mammography **Open House planned at St. Luke's Women's Imaging Center, Twin Falls**

Twin Falls, ID (November 13, 2008) – St. Luke's Magic Valley began offering digital mammography on November 5th at St. Luke's Magic Valley Women's Imaging Center. Demand for digital mammography is high, and Magic Valley women are excited and pleased to have the latest screening technology available to them.

To celebrate, the public is invited to an open house on Wednesday, November 19, from 5 – 7 p.m. at the St. Luke's Women's Imaging Center, in the Renaissance Office Park (730 North College Road, Naples Building, Suites A). Light refreshments will be served. This is an opportunity to meet staff and physicians, and to learn more about the differences between digital and conventional mammography.

For more information about digital mammography at St. Luke's Magic Valley, or to schedule an appointment, call 933-4020.
